四、英文作文: (30分)

While many young people dream of being police officers, it is a truth that not everyone is cut out for the work. Here are five qualities that are generally considered essential for every competent, effective police officer: communication skills, empathy, integrity, professionalism, and courage. Write an essay of approximately 350 words in which you explain—in detail and with examples—why the first three are indeed essential traits of a police officer.
