- 一、You are a junior official joining our government's delegation for a meeting in Brussels held by the Steel Committee at the Organization for Economic Cooperation and Development (OECD) in April 2016, and your delegation, as an invited observer, was forced to leave the meeting on the request of the Chinese communist authorities. Compose a formal letter of protest, including the layout of such a letter, to the OECD Steel Committee and illustrate our government's position and arguments. The information provided in your answer does not necessarily have to be based on facts. (30%)
- 二、Draft an official letter responding to a Taiwan-based foreign ambassador who inquires about the contemporary South China Sea policy of our government. (30%)
- 三、Compose a brief United Nations General Assembly resolution that calls for further cooperation between the United Nations and the Pacific Islands Forum. (20%)
- 四、Burkina Faso decided to sever its diplomatic relations with our country in May 2018. Prepare for the foreign media briefing materials that explain the context and the position our government held. (20%)
